THE MAYOR'S CORNER

Dear Residents,

The South Country Club Drive road project is substantially completed. We have a few items that still need to be addressed and are working through these with the contractor. This has been a longer project than originally planned. The main source of the delay was the volume of rain we have received through what is our typically dry season. I cannot remember a winter season with this much rain. I appreciate your understanding and patience through this time. The end result will be worth the temporary issues we experienced. If you have any further questions or items that still need to be addressed please give City Hall a call.

The Presidential Preference Primary Election is on March 15, 2016 and this will coincide with the City of Atlantis council elections. I encourage you to become informed about the issues on the ballot and exercise your right to vote.

I have had several calls on air traffic over the past couple of months and wanted to recap from my update in the newsletter in June of 2015. We held a workshop where the council and residents were able to express their concerns and questions to Jonathan Miller, the co-owner of Galaxy Aviation, which is the new fixed-based operator (FBO) of the Lantana Airport, and Bruce Pelly, the Director of Airports for Palm Beach County. The main concerns are safety, noise all of us experience from the helicopter training and low-flying, fixed-winged aircraft and the current construction. There is a

voluntary noise abatement plan in place for the area surrounding the airport but the word "voluntary" is the key. It is sometimes difficult to determine the difference between normal flight situations and dangerous/reckless behavior from pilots. If you experience extraordinary noise or unusual activity such as a helicopter hovering over your home for an excessive period you can report the activity to Cassandra Davis — the noise officer assigned to our area. Her direct phone number is 561-471-7468. It is always helpful to get the call letters listed on the aircraft whenever possible. The airport holds monthly meetings and Atlantis residents are welcome to attend these meeting and express their concerns. The more voices and concerns the operators hear, the more inclined they will be to adhere to the voluntary noise abatement plan. The construction concerns are lengthening the runways. The current construction is improvements to the terminal, hangers and fueling stations. They are not increasing the length of the runways. For more details and dates for these airport meetings, please contact City Hall.

Spring Fling is April 9th 2016 and approaching rapidly so look for the details within this newsletter. Please sign up and get your tickets early. I look forward to seeing you all there.

Mayor David Kintz**

Manager's Notes March 2016

That was me that you saw doing cartwheels down South Country Club Drive when the contractor finished paving. I am sure the residents along the way share my joy. This has been a long project plagued with rain delays, but the end is now in sight. We are very pleased with the way the new drains function. Final steps are underway to complete the project.

Spring Fling is April 9. Wristbands will go on sale at City Hall next week. Advance purchase saves you some money and helps us better plan the day. This year the Rock Wall will be back for all the adventurous climbers. We will have the ice rink, a bounce house and a slide plus other games for the kids. New this year for kids and adults of all ages will be a Photo Booth. This is a good way to record your memories of a wonderful time.

I would like to thank all the residents who responded favorably to our annual request to clean roofs and driveways. Our residents take pride in their property and in the community. Thank you to one and all.

As always, I can be reached at City Hall or by email at mthornton@atlantisfl.gov

Mo Thornton, City Manager

**City News...**

The City of Atlantis Council Meeting was called to order at 7 p.m. on February 10th.

Resolution No. 16-03, in support of the C-51 Canal improvement project, a boat lift, passed 4-0. This would give the 26 mile long "chain of lakes" an option for Intracoastal and ocean access for small boats. The L-14 anal would connect Atlantis to this option.

Resolution No. 16-04 passed 4-0. This opposes House Bill 4641 and Senate Bill 416, requiring local governments to pay for utility relocation.

William Mitchell

(official minutes available at www.atlantisfl.gov)

Reminder.....

One of the amenities of Atlantis is back door garbage service. We pay a premium for the garbage company to pick up the garbage from the underground cans. This keeps the city looking neat and clean.

Please place your items in the underground cans **before 7:00 am on Monday and Thursday**. Bulk items may be placed at the curb on Sunday night for collection on Monday.

Vegetation may be placed at the curb on Sunday night as well. If you use a contract lawn maintenance company, that company is required to take all debris away with them on the day it is generated.

Community Safety through Community Awareness and Involvement:

Crime Prevention Tips:

Virtual Kidnapping Scam – Defined as telephonic coercion schemes aimed to extort quick ransom payments from victims who are manipulated to believe their loved ones have been kidnapped or are at risk of being kidnapped. Current phone numbers being used originate in Mexico. In an effort to avoid discovery the perpetrators quickly lower ransom amounts and do not spend an extended amount of time negotiating. If you receive a call of this nature contact the Atlantis Police Department at 561-965-1700.

Fraud and Phishing – Fraud is the international perversion of truth to induce another to part with something of value or to surrender a legal right. Phishing is a scam by which an email user is tricked in to revealing personal or confidential information that the scammer can use illicitly or fraudulently. Fraud and phishing attacks may take the form of an authentic looking website or a personalized email.

Secure yourself from fraud and phishing attacks by:

- Turning of the option to automatically download attachments
- Saving and scanning attachments before opening them
- Before providing any kind of personal information, call and verify with the source that they are responsible for the email

After our January meeting, we delivered our donation of 165 books to the Palm Beach County Library, Lantana Branch, for their book sale. We will continue to collect books that we will donate to the Library or the Habitation Center. Please bring your donations to Pat Clem's office.

Our next meeting will be on the third Wednesday in March, the 16th. We will meet at in the Ladies Card Room. Please join us for a Continental breakfast and our discussion of "*All the Light We Cannot See*" by Anthony Doerr. As of February 22nd, this book has been on The New York Times Best Seller List. Sponsorships can be shared with several residents or a group, e.g. condo association, tennis group. You can be a general sponsor, or target your contribution for a specific activity, like the fireworks, ice skating rink, or children's games. We will recognize your gift with signage at "Spring Fling" and also in the City's newsletter.
